| Date | 02 November 2022 |
| Project Name | Project – Analytics For Hospital Health-Care Data |
| Maximum Marks | 2 Marks |

| Problem Statement (PS) | Iam (Customer) | I'm trying to | But | Because | Which makes me feel |
|------------------------|---------------------------------------|--|--|---|-------------------------|
| PS-1 | Common man who lives an ordinary life | Get bed in a hospital for my Grandfather during covid19 pandemic | at the time its difficult to find a hospital with free beds where i could admit my Grandfather | of huge number of patients got infected with covid-19 that made hospitals run out of beds | very bad and frustrated |
| PS-2 | Student studies in college | Attend the classes in offline mode | at this pandemic time it is difficult to attend offline classes due to lockdown | of huge number of patients got infected with covid-19 so government ordered lockdown | Disappoint very much |
